

#ThriveUpstateGivingTuesdayCampaign

Do you know about Thrive Upstate and how we support individuals like Brian who have so much talent to share in our community?

Brian created this sign TGT for "Thrive's Got Talent." We told him about our campaign and he agreed to help us! He loves to draw, especially science fiction themes.

Thrive supports individuals like Brian by providing a home and day services to enjoy activities and meet people in our community so that he can have a better quality of life. But he doesn't have options like you and I do. Brian, along with so many others, relies on Thrive for basic needs - housing, meals, transportation, and many other facets of life that you and I take for granted.

While Thrive provides services to approximately 600 people with special needs in Greenville County, with additional funds we can do so much more! In the spirit of the holidays, we ask you to open your heart and donate what you can to our Giving Tuesday

Campaign. Your contribution will make A DIRECT AND HUGE IMPACT in the lives of the approximately 600 people supported by Thrive Upstate.

[DONATE HERE](#) or contact us at 864-679-0220 and we will give you our personal attention. Donations are requested by **November 29, 2022** and are tax deductible.

Don't stop there; make new friends and learn more about how your donations improve the lives of others! Follow us on Instagram and like us on Facebook. #thriveupstate

With my sincere thanks and gratitude for your support,
