

Do you know that Thrive supports almost 150 new born babies to five year olds who have special needs? Thrive's Early Intervention program helps families in Greenville County by providing critical services when they are most needed.

Thrive helps families from day one with emotional support and services. From making referrals to community partners and connecting families with local support groups to transitioning children into specialized preschool programs, their Thrive Early Interventionist is there every step of the way!

Please help with your donation during our Giving Tuesday Campaign. Each contribution allows us to better support these babies and children along with the adults in our programs.

[DONATE ON THIS PAGE](#) or contact us at 864-679-0220 and we will give you our personal attention. Donations are requested by **November 29, 2022** and are tax deductible.

Don't stop there; make new friends and learn more about how your donations improve the lives of others! Follow us on Instagram and like us on Facebook. #thriveupstate

With my sincere thanks and gratitude for your support,

Tyler Rex

Executive Director, Thrive Upstate

Our Mission: To provide all people with disabilities and special needs with meaningful services, opportunities, and support, so they may thrive in life, work, and play.
